### **Multilateral Internship Programme for Lawyers (22 April – 30 May 2020)**

Dear Mr Gostiljac,,

Due to the current situation relating to the Corona pandemic, the implementation of the internship programme for lawyers will not take place at the scheduled date in April/May 2020.

The three Serbian participants were informed accordingly two weeks ago.

If the situation will allow it, we are aiming at carrying out the internship programme in autumn 2020. I will let you know about the further planning in due time.

With my very best wishes for good health and inner calm in these difficult times, I remain

Yours sincerely,
